Re: Estate of Abraham Strimber v. AMH, et al
Our File No.: 850-103

Dear Counsel:

Enclosed is Dr. Turner's revised Errata sheet to her March 18, 2014 deposition in the above matter. The changes are the same as those previously communicated and the only new information contained in the Errata sheet is the reason for the changes, which I understand Jim Young explained to you yesterday. It is also my understanding that Jim informed you that we would arrange to reconvene Dr. Turner's deposition limited, of course, to these changes, which also you declined. Further, it is my understanding that Jim informed you that we did not intend to use the Errata Sheet as part of our argument on the current Motion for Summary Judgment.

Very truly yours,

HEATHER TERESHKO

8 67 2 "Triage nurse" to "registration clerk"

I mistakenly assumed that the triage nurse (Lori Ischinger, R.N.) registered the patient and entered the chief complaint of chest pain in the system. After reviewing Nurse Lori Ischinger's testimony and re-reviewing the Abington E.D. chart, I realized that I misspoke during my deposition.

9 81 13 "triage information" to "chief complaint"

After re-reviewing the Abington E.D. chart, I noted that the patient denied chest pain to the triage nurse, and that the chief complaint of chest pain was recorded by the registration clerk so I misspoke during my deposition.
